

2015 – 2016 Ag Price List

		Price (Ex GST)	Price (Inc GST)	
Soil Testing				
Basic Soil Test <i>includes Colwell P & K, Olsen P, Sulphur, Organic Carbon, Nitrate & Ammonium Nitrogen, Electrical Conductivity, pH (water & CaCl2)</i>		\$80.00	\$88.00	per sample
Comprehensive Test including Aluminium & Bray Phosphorus		\$120.00	\$132.00	per sample
Additional Test: e.g. Heavy Metals		\$65.00	\$71.50	per sample
Effluent Testing				
First Sample includes application rates		\$200.00	\$220.00	per sample
Additional Samples		\$100.00	\$110.00	per sample
Plant Tissue Testing				
Comprehensive Test		\$95.00	\$104.50	per test
Water Testing				
Standard Test <i>includes Phosphorous, Potassium, Sulphur, Copper, Manganese, Calcium, Magnesium, Sodium, Iron, Boron, Nitrate, pH, Electrical Conductivity + Chloride</i>		\$100.00	\$110.00	per test
Field Service / Collection Fee		\$100.00	\$110.00	per hour
Farm Mapping				
Farm / Paddock Map Aerial Tracing	from	\$800.00	\$880.00	per map
Laminated Magnetic Board (A1)		\$200.00	\$220.00	per map
GPS/GIS Work		\$120.00	\$132.00	per hour
Nutrient Mapping				
Nutrient Mapping (requires digitized paddock map)	P, K, S, pH	\$400.00	\$440.00	per farm
Agronomy Fees				
Hourly Rate		\$120.00	\$132.00	per hour
Annual Agronomy Fee <i>includes 6 Farm visits plus phone support, fertiliser and soil condition recommendations</i>		\$3,000	\$3,300.00	per year
Annual Agronomy & Nutrient Management Fee <i>includes all advice, 10 soil tests, 4 plant tests, effluent test, nutrient maps and updates, fertiliser recommendations</i>		\$6,000	\$6,600.00	per year
Effluent Management Plans				
Effluent System Current System Capacity	from	\$300.00	\$330.00	
EPA Effluent Management Plan	from	\$1,500.00	\$1,650.00	per plan
Bookkeeping		\$65.00	\$71.50	per hour
Travel Allowance (Road travel \$40/hour plus 40c/km)		POA	POA
